RAINFALL/SNOWFALL AT THE VILLAGE

31	0.01		0.2	Past 30 Days	2.71	0.60	4.7
December Total	2.40	0.60	6.5				

NOTE: Melted precipitation has been below normal during the past three months. Snow cover, from flurries and very brief showers, has been scant. This situation has resulted in the ground freezing solidly. Indeed, this is the third year without a general snowfall here. The last wintry coastal storm affecting The Village was almost nine years ago.

Sentimental Journey

An evening filled with beautiful music, warm connections, and lasting memories with Sentimental Journey.

Poetry Corner

The Winter Evening Settles
Down
By T. S. Eliot

The winter evening settles
down
With smells of steaks in
passageways.
Six o'clock.
The burnt-out ends of
smoky days.
And now a gusty shower
wraps
The grimy scraps
Of withered leaves about
your feet
And newspapers from
vacant lots;
The showers beat
On broken blinds and
chimney-pots,
And at the corner of the
street
A lonely cab-horse steams
and stamps.

And then the lighting of
the lamps.

Meet Genevieve Hamilton, Housekeeper

My name is Genevieve, and I have been working at VPS for 5 years. I originally started working at the Atrium and then moved to IL in the summer of 2024. I was born in NYC

and raised in Ridgewood, NJ. My mom is from NYC & my dad is from Tyrone. In 2010 my parents relocated to PA. I currently live in Spruce Creek with my parents and my two rescue pups, Chiweenie sisters named Lily & Poppy. I am an only child and I enjoy reading historical fiction, listening to a wide variety of music, and traveling to Colonial Williamsburg, VA, a place I consider my second home because we have taken family trips there since I was a very small child.
